NOTES

- (i) Letters inserted in columns over train titles indicate the classification of the trains and the head codes to be carried.
- (ii) Figures inserted in columns immediately below train titles indicate train reporting numbers.
- (iii) Where no separate time is shown for arrival and departure, the time indicated is the departure time. Small type indicates passing times.
- (iv) Trains must leave at the advertised times whenever practicable. Where the advertised departure times of passenger trains are slightly earlier than those shown in the Working Time Table, the former must be used in all quotations to the public.
- (v) A half minute is allowed for station duties unless separate arrival and departure times are provided or more time is specified by letter indications.
