COPYRIGHT NOTICE

This file has been produced from an original document, copyright of which lies with the BRB (Residuary) who gave the following permission for it to be reprinted:

"*The Board has no objection to copies of these documents being made so long as they are for private information or for non-commercial enthusiast or railway club purposes and are not sold or lent for any payment other than to cover copying or transmission costs.*"

A list of available documents can be found at
http://wttreprints.uk

The original document is one of a number in my collection that I have scanned. Normally, I produce quality printed documents from my scans but I have found that these smaller documents seem to attract little interest so I have decided to make them available as free downloads. You may download and print it out as you wish.

GENERAL INSTRUCTIONS.—For General Instructions to be observed in connection with the running of the Special Trains shewn herein, see the British Railways Rule Book, dated 1st January, 1950, and the General Appendix, dated July, 1936.

SPEED RESTRICTIONS.—The Permanent and Temporary Speed Restrictions in operation must be strictly adhered to and the arrangements shewn therein are also subject to alterations and such other special instructions as appear in the Temporary Speed Restrictions, Permanent Way Operations, Signal Alterations, etc., Notice, or any Special Notices subsequently issued thereto.

FRIDAY, 12th JUNE
