COPYRIGHT NOTICE

This file has been produced from an original document, copyright of which lies with the BRB (Residuary) who gave the following permission for it to be reprinted:

"The Board has no objection to copies of these documents being made so long as they are for private information or for non-commercial enthusiast or railway club purposes and are not sold or lent for any payment other than to cover copying or transmission costs."

A list of available documents can be found at
<http://wttreprints.uk>

The original document is one of a number in my collection that I have scanned. Normally, I produce quality printed documents from my scans but I have found that these smaller documents seem to attract little interest so I have decided to make them available as free downloads. You may download and print it out as you wish.

British Railways Standard Coaching Stock as under may work without restriction over all routes normally available to coaching stock, except as shewn in this booklet.

A.—British Railways Standard Coaching Stock with length over headstocks not exceeding 63 ft. 6 ins. and bogie centres of not more and not less than 46ft. 6ins. 9ft. 0ins. wide over body work and 9ft. 3ins. wide over handles. (No side lookouts fitted.)

B.—British Railways Standard Coaching Stock with length over headstocks not exceeding 57 ft. 0 ins. and bogie centres of not more and not less than 40ft. 0ins. 9ft 0 ins. wide over body work and 9ft. 3ins. wide over handles. (No side lookouts fitted.)

Restrictions shewn in this booklet, and marked thus: ★ do not apply to Coaching Stock of Category B above.

Empty coaching stock of Category A above may be conveyed in special trains only and by prior arrangement over the Hampstead Junction Line provided the opposite line is blocked between Hampstead Heath Signal Box and Brondesbury Station Signal Box in each direction.

Coaching Stock of Category B above may work over the Hampstead Junction line providing the adjoining line through Hampstead Tunnel is blocked.
