COPYRIGHT NOTICE

This file has been produced from an original document, copyright of which lies with the BRB (Residuary) who gave the following permission for it to be reprinted:

"The Board has no objection to copies of these documents being made so long as they are for private information or for non-commercial enthusiast or railway club purposes and are not sold or lent for any payment other than to cover copying or transmission costs."

A list of available documents can be found at

The original document is one of a number in my collection that I have scanned. Normally, I produce quality printed documents from my scans but I have found that these smaller documents seem to attract little interest so I have decided to make them available as free downloads. You may download and print it out as you wish.
