## SUPPLEMENTARY SPECIAL TRAFFIC NOTICE OF ARRANGEMENTS FOR WHIT-MONDAY, 25th MAY, 1953.

S. W. SMART,

Superintendent of Operation.

---

**HEAD NUMBERS.**—Certain empty electric trains, as shown herein, will carry a special number on the front, which **Bill Distribution Office** will supply to stations as indicated in the train number column. In order that Motormen shall have the best possible lookout from the off-side of Motorman's Cab, the paper on which the numbers are pasted must not exceed 12 inches in height, this to be affixed at the bottom of the offside window, pasted at the corners only, for easy removal at destination.

Where trains reverse en route, last reversing station will be responsible for affixing numbers.

Head numbers for empty trains between London East District and London Central District Stations (via Beckenham Jct.) will be affixed at Beckenham Jct.
